

## Ain Society

### Charity Gift Sale

Make your events more meaningful by purchasing your gift items from us. All sale proceeds will go directly to funding our programs and helping our beneficiaries.

*Every year, Ain Society has to actively raise funds to keep its programs going. This is a very challenging process. Thus Ain Society has set up its own Charity Gift Sales. Companies and organisations are invited to purchase their corporate gifts and D&D door gifts from us. Prices are competitive and we have a large variety of items to choose from. If you have an event coming up or a corporate gift item in mind, please allow us to send you a quotation. Your generous help will go a long way.*

Ain Society has started taking orders for baked goods such as cupcakes, macarons, and large tiered cakes!

Please support our Ain's bakers & order!

Add a dash of Ain's sweetness to your events and parties!
