*A Meaningful Farewell Journey for Adults with Cancer and Their Loved Ones*

*Mr Rosli and his family on a trip to Bali*

## *What is Di Hujung Pelangi?*

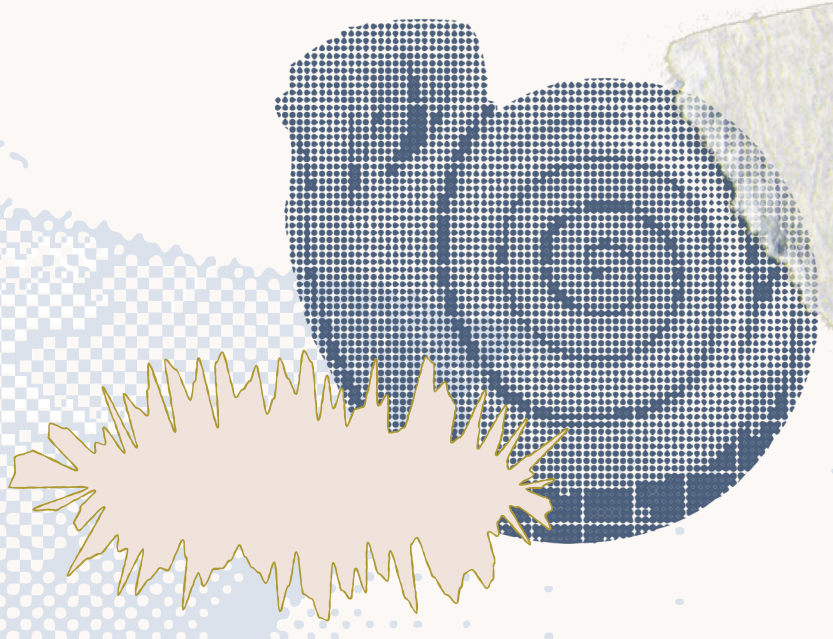

“Di Hujung Pelangi” is a compassionate scheme that supports adults with terminal cancer and their families in making meaningful memories at the final stage of life.

It offers personalised experiences, emotional support, and quality time to honour life, love, and legacy—on their own terms.

## *Who is it for?*

Adults with advanced-stage cancer on palliative care, who wishes to create meaningful closure.

Families seeking time to reconnect, reflect, and celebrate life together

## *What is it about?*

- Staycations or Quiet Retreats
- Family Photoshoots / Legacy Projects
- Relaxation Experiences – e.g., massage, spa
- Favourite Meals / Private Dining Moments
- Memory Keepsakes or Video Messages for Loved Ones

## *Budget & Support*

- Fund allocation: up to \$5,000 per beneficiary
- Includes planning, logistics, and tailored needs
- Supported by donors and managed by a dedicated care team
